MINISTRY: Ministry of Interior

OFFICE: Area I Speciali elargizioni alle vittime del terrorismo e della criminalità di tipo Mafioso

NOTES: Specific service to support victims of terrorism.

Area I initiates, through the relevant territorial Prefectures, the examination of practices for granting economic benefits to victims of terrorism. It examines the documentation received, such as court records, police reports, reports and comments necessary to clarify the event's matrix and to verify the possession of the victim's subjective requirements and any beneficiaries for the subsequent granting of benefits.

It has relations with victims' associations, with the other Administrations responsible for the provision of benefits for victims of terrorism.

9th May each year is the day of memory dedicated to the victims of terrorism in Italy.
